

UNIVERSITY OF HAWAI'I

Introduction to Aquaponics

Learn how to integrate a small scale aquaponics system into your farm operation.

WORKSHOP DATES:

1. May 22, 2022: Introduction to Aquaponics: Hear about opportunities, challenges, and from others in the industry
2. June 26, 2022: Basic System Design
3. July 31, 2022: Fish Anatomy/Fish Management/Water Quality
4. August 28, 2022: Planting/Nutrient Management
5. September 25, 2022: Pencil it Out: Discuss fish yield, market opportunities, costs, and return on investment

TIME: 10:00a - 1:00p

LOCATION: UH CTAHR Waimānalo Research Station

INSTRUCTORS: Dr. Dr. Bradley (Kai) Fox (UH Sea Grant College) and Dr. Ted Radovich (UH CTAHR); GoFarm Hawaii'i AgBusiness Team

COST: \$125 for series. Discount available for current GoFarm Hawaii'i students. Tuition to be collected at first class.

NEXT PHASE: Participants who complete the program will have the opportunity to apply for limited spots in the "hands-on" practicum consisting of additional weekly on-farm activities (includes monthly trainings) for an approx. one year period.
