

GoFarm Hawaii offers need based scholarships and tuition assistance to AgXcel applicants on Oahu, Kauai, and Hawaii Island. Maui students may apply for veteran benefits or financial aid through UH Maui College.

A 50% tuition assistance is available to all veterans. In addition, 50% tuition assistance is available based on financial need. Use the chart below to determine need (based on before-tax combined **household** income). If partners are applying, use combined family incomes and household members.

All monies from CSA sales that exceed the minimum sales requirement will go toward repaying tuition assistance (instead of becoming credit for AgIncubator).

For **veteran participants**, please provide a copy of your military ID or DD214.

To request tuition assistance **based on financial need**, review the chart above and if you qualify, please submit the following:

- Your household income
- # of persons in your household as reported on taxes
- attach a copy of your most recent federal tax statement

Thanks to generous support from our funders, we are able to offer need based scholarships toward your GoFarm Hawaii tuition. In return, funders may require specific information about recipients including:

- Your name
- Your plans after taking the course
- Pre and post survey results
- Performance (such as pounds of produce grown)

If you are a recipient, we may share this type of information about you and contact you in the future to gather current data. If you do not want to share this information, please notify us with your application.
